## Is Shame Necessary?: New Uses for an Old Tool

By Jennifer Jacquet

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, *Is Shame Necessary?: New Uses for an Old Tool*, Jennifer Jacquet, In *Is Shame Necessary?* rising star Jennifer Jacquet shows that we have to use shame if we want to bring about political change and hold the powerful to account. In cultures that champion the individual, guilt is seen as the cornerstone of conscience yet it proves impotent in the face of corrupt corporate policies. Jennifer Jacquet persuasively argues that modern-day shaming is a non-violent form of resistance that can be used to bring about large-scale change. Shaming, Jacquet shows, works best when used sparingly, but when applied in just the right way and at just the right time, it can keep us from failing ourselves. "Shaming is society's natural stabilizer and organic risk-management mechanism, and one that is ignored in modernity, particularly in the virtual world. Worse: it has been largely ignored by researchers before Jennifer Jacquet, whose book gives us an insightful treatment of a vital topic." (Nassim Taleb, author of *Antifragile*).

### Reviews

*This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You wont sense monotony at any time of your time (that's what catalogues are for relating to should you request me).*

-- Jaqueline Kerluke

*I just started looking at this pdf. It can be rally fascinating throgh studying period of time. Its been printed in an extremely basic way and is particularly only following i finished reading through this publication where in fact altered me, change the way i really believe.*
