If you start feeling anything for a client - and it does happen - count the money. That always brings you back down to earth. Stella is an escort, immersed in a world of desire, betrayal and secrets. It s exactly where she wants to be. Stella used to be someone else: respectable, loved, safe. But one mistake changed all that. When a fellow call girl is murdered, Stella has a choice: forget what she s seen, or risk everything to get justice for her friend. In her line of work, she s never far from the edge, but pursuing the truth could take her past the point of no return. Nothing is off limits. Not for her - and not for them. But no one is truly untouchable.
