Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from California Anthology: Or Striking Thoughts on Many Themes As a labor of love, in my leisure hours, I have gathered from all parts of the Golden State a varied collection of precious gems. All of these had sparkled for a time in the public eye, but the lapse of years had left most of them hidden away between faded leaves - consigned to the dust and silence of the upper shelf. I have brought them forth again, their luster still undimmed, and have given them new setting in a single cluster, with the two-fold motive of securing their common preservation, and enhancing their beauty and value by making their contrasted colors emit intenser light. They are distinctively and exclusively Californian. I proffer them to an appreciative public. They are the jewels of others, only the setting is mine.
