Amanda and her daughter Clover live in a close-knit community of expats on Grand Cayman Island, an idyllic place to all appearances. But the comfortable island life can become stifling in hard times. As Clover falls for her first love, and allows her heart to chart her life's course, Amanda realizes that she has fallen out of love with Clover's father, and that her carefully mapped-out future is actually unknown territory. Through the years, mother and daughter try to navigate their chosen paths, as they are each torn between the dreams they cherish and the reality they face.
