*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Executives who irrationally dislike certain staffers, and try to harass them into quitting. Companies that try to force out employees because of gender, race, or age. Bosses who risk destroying a company, with their out-of-control drug use or gambling. BEAT THE BOSS are easy-to-read, entertaining short stories which take a minute or two to read, but also provide accurate solutions, pulling back the curtain as to what really happens in the workplace. Every story ends with a question for the reader to answer: Did Allison just quit-or was she fired? Should Lori have gone straight to HR to complain about the sexual harassment? Can Jim be fired for trying to...
