Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Where They Lay, Earl Swift, The US government has an unspoken pledge with every man and woman it sends into battle: you may be wounded doing your duty, you may even be killed, but you won't be left behind. Part history, part travelogue, part scientific adventure, it chronicles the years-long effort to find the remains of those heroes, culminating in an expedition into a land that even today is virtually invisible to the world at...
