Secrets of Texting 150 + Useful Texting Tricks Tips That Can Help You To Get A Man You Are Dreaming Of Are you new to the scene of texting a potential love interest? Would you like to know a little more about sexting etiquette, and how not to scare him away? Then you'll want to read this book about how to get and keep a guy through texting! It used to be boy met girl and they talked and went on a few dates before they were exclusive. The phone was their main form of communication. Then the internet was invented and e-mails were a new way of communicating when we weren't around one another. Quickly after e-mail, chatting online was invented using chat rooms and instant messaging. And then texting came along. Texting is unique in that we expect someone to always have their phone and always be ready for an answer. It wasn't like you were always available to answer an e-mail or an instant message if you were away from the computer. Now, it's so easy to get awkward in a conversation because you don't know how to end it or you don't know when the line of going too far has been approached. This book is going to teach you the texting and sexting etiquette that should be present in every relationship. You'll learn: How to attract a guy through texting in order to land a date The do's and don'ts of sexting Some warm texts you can send him to get things started. Steamy sexts that will have him coming back for more. And...
