Even better, the other kids will make her a booklet, full of the things they value about having her in the class. After reading her friend Margaret's booklet, Clementine begins to get nervous and a little jealous --she has to get a great booklet now. Fortunately, she has a lot of astounding ideas for getting the kids to write great stuff about her. Unfortunately, just as she's working on the best one, something terrible happens to her beloved kitten Moisturizer. Worst of all, exactly when she needs a friend the most, Margaret lets her down. Or does she.? Praise for Clementine * Humorous scenarios tumble together, blending picturesque dialogue with a fresh perspective as only the unique Clementine can offer. Frazee's engaging pen-and-ink drawings capture the energy and fresh-faced expressions of the irrepressible heroine. A delightful addition to any beginning chapter-book collection. -- School Library...
