

I Am an Elephant (Paperback)

By Aaron Carr

Av2 by Weigl, United States, 2011. Paperback. Book Condition: New. 234 x 216 mm. Language: English . Brand New Book. Elephants are the biggest animals that live on land. The biggest elephant on record was 13 feet (4 meters) tall and weighed more than 25,000 pounds (11,400 kilograms). These astounding facts about this fascinating animal can be discovered in the I Am an Elephant book. Elephant is part of the Let's Read collection of media enhanced books designed for children ages 5 to 7. These books were created to inspire beginning readers to become independent readers. Educator and reading expert Dr. Edward Fry created a list of 1,000 instant sight words. These 1,000 sight words must be learned by students in elementary grades. By the Third Grade, students are expected to instantly recognize the first 300 of these words. The Let's Read books combine these 300 sight words with vivid color photography and non-fiction content within a Kindergarten to Second Grade curriculum framework. Elephant is an AV2 media enhanced book that gives readers access to embedded weblinks, audio and video clips, activities, and other features, such as matching word activities, slide shows, and quizzes.

Reviews

Very beneficial to all of class of people. I am quite late in start reading this one, but better then never. You may like just how the writer create this publication.

-- **Audra Klocko PhD**

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
