Bene Factum Publishing Ltd. Hardback. Book Condition: new. BRAND NEW, Who's on the Menu: The People on Your Plate, Robert Booth, Laurie Colwin once said: "People who like to cook like to talk about food. Without one cook giving another cook a tip or two, human life might have died out a long time ago." Too little attention is given over to these silent players responsible for influencing the recipes we enjoy the most and getting them on the table. This compilation finally addresses that injustice in an amusing and compelling 'who's who', which will appeal to all those foodies that like to know from where (or rather whom) their food is coming.
