Mittal Publications, New Delhi, 2002. N.A. Book Condition: New. Xvi+140pp Keeping in view that in an independent India, the state had to perform various welfare functions and take the country forward towards industrial development and economic prosperity where the executive would be required to expend enormous funds, the constitution makers did a woman service to their countrymen by providing an institution of the Comptroller and Auditor General of India. They accorded him a place of prominence and honour in the scheme of government and made him an independent organ of the state not subject to the control of other organs of the state viz. the executive, the legislature and the judiciary. Modern Audit is an evolving discipline. From traditional forms of appropriation audit and regularity audit which continue to have their relevance, it has flowered into prosperity audit, efficiency-cum-performance audit or value of money audit as they are important from the viewpoint of ensuring accountability. Public audit by the C & AG not only facilitates well informed and effective legislative scrutiny and control but also provides aid to administration and management for better performance. The present study, the Comptroller and Auditor General of India?Constitutional Custodian of Public Interest delves deep...
