Cauliay Publishing Distribution, United Kingdom, 2010. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. Set in Germany during World War Two and in the following years, Silence of The Night tells the chilling story of Helena Maria Albrecht whose parents were killed in one of the first allied bombing raids over Germany. She was brought up by her grandparents, but far from being a loving relationship her grandmother blamed her for the death of her mother and her grandfather sexually abused her. Driven to the brink of insanity throughout her young life and into her teenage years, Helena finally snapped and shot them both dead with her grandfather s service pistol. Helena was imprisoned for their murders, but when the full details of her harrowing childhood came to light she was granted an early release. Helena was stunningly beautiful.on the outside. Inside lived the grotesque demon whose sole mission in life was to wreak a terrible, bloody revenge on the men who were unfortunate enough to fall under her irresistible spell. Silence of The Night will undoubtedly establish Sandra Rowell as one of the most talented crime thriller writers to emerge over the past few years.
