GEOGRAPHY MATTERS, United States, 2007. Paperback. Book Condition: New. Revised ed.. 279 x 211 mm. Language: English . Brand New Book. An easy-to-follow resource to teach essential geographical facts and features of each of the 50 U.S. states. Includes 5-minute daily drills, mapping, building a geography notebook, and a wide variety of additional project choices. Student study the 50 states at the rate of about 2 states each week. The literature unit on the Lewis and Clark Expedition (using quot;The Captain s Dogquot; by Roland Smith) provides a thrilling way to drive home the relevance of knowing geography. Students complete assignments by using atlases, outline maps, and other research materials. Incorporating the 5 themes of geography, students learn capitals, place location, climate, physical geography, and much more. These simple, yet thorough assignment choices include Daily Trails for an overview of geography; interesting digging deeper activities; and Geography through Literature. There are a variety of ways to use the three-part manual. Teachers simply select which parts of the book will best meet their needs and objectives. Answers are included. This interesting approach to teaching makes learning fun and memorable. No student workbook is needed because students will develop their own personal notebooks full of colorful maps, intriguing facts, and surprisingly pertinent information.
