John Wiley and Sons Ltd, United Kingdom, 2010. Paperback. Book Condition: New. 234 x 155 mm. Language: English . Brand New Book. This unique volume outlines the different frameworks of policy analysis and explains how readers can use research and critical thinking skills to understand the different models from their formation and development to implementation. Approaching the topic from an analytical and research-based perspective, the authors help readers make better, informed choices for successfully dealing with the complexities of social policy. Social workers, public administrators, nonprofit managers and upper level students of these fields will find the tools necessary for understanding how social policies are analyzed, conceived, and ultimately applied.
