This story follows the life of eight sisters who manage to escape from slavery. After their parents were sold, their oldest daughter Isze began plotting how she would escape with her seven sisters. Through the generations the tradition of gifting a black child was a constant. This story led me back to my first novel HerStory: Revelations. Mema was Isze's great great niece.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
