Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after i finished reading this ebook in which basically modified me, alter the way i believe.

Pearson Education Limited, United Kingdom, 2015. Paperback. Book Condition: New. 6th edition. 276 x 218 mm. Language: N/A. Brand New Book. For Introductory World Regional Geography/Regional Geography Courses. Students learn to think outside of the map Diversity Amid Globalization takes students on a journey into the connections and diversity between people and places-the contrasting regions of the world-within thematically organized regional chapters. With an arresting visual layout and new and updated content and maps throughout, the text maintains and strengthens its hallmark thematic organization and focus on globalization, while encouraging students to participate in the material using a number of stimulating, interactive learning tools. Available with optional MasteringGeography(TM), the most effective and widely used online tutorial, homework, and assessment system for the sciences, Diversity Amid Globalization, Sixth edition offers the most complete and integrated world regional program available today. This program presents a better teaching and learning experience for you and your students by providing *Students learn how to think outside the map: MasteringGeography and textbook-integrated technology take students outside of the pages of the book, and into the world of distant places and people. *An amplified global perspective through NEW and updated content: This new Sixth edition maintains, refines, and strengthens the text's hallmark thematic organization and focus on globalization in a number of ways. *New Everyday Globalization features: * In Population and Settlement sections, there is a new discussion of Demographic Transition that includes adding a fifth stage to traditional model. * In Cultural Coherence and Diversity sections, there are two new sections: Gender and Globalization, and Sports and Globalization. * In Geopolitical Framework sections, there are two new sections World Political Systems, and Decentralization and Devolution *A consistent thematic chapter organization encourages students to compare regions and discourages memorization of facts and places. *An active...
