But like her dad says, caring for pets takes time and money, and the Waggit family can t spare much of either - especially with Francie s mom off in Africa rescuing baby elephants. No matter how much Francie plays pretend that her dad is a type of PET (Physical Education Teacher), he just can t fill the shoes, or paws, of a real furry friend. So when a loveable stray named Scrimmy literally leaps into Francie s life at a San Francisco 49ers football game right before Christmas, her father finally agrees to tryout a pet. Francie s wish came true! Almost. Turns out, her new rescue dog is loyal to a fault: be it high fences, locked doggy doors, or elementary school rules, Scrimmy will stop at nothing to stay by Francie s side. Can Francie help her faithful foster pooch make the Waggit team for keeps? Or will she have to give up her Best Furry Friend forever?.
