Excerpt from Homes and Haunts of the Pilgrim Fathers: A New Edition of Dr. Alexander Mackennal's Work, Revised and Partly Rewritten To-Day, when the closer union of Great Britain and America has conic to mean so much for the future well-being of the world, such a volume as this attains to fresh importance. Here a story of heroic enterprise is told, not in the key of controversy, but of pious regard. The bitterness of political and religious strife, three hundred years ago, is entirely eliminated: and those men and women, in the little adventurous ship, stand out more clearly in their simple but enduring faith. For every champion of liberty of the conscience who sailed in the Mayflower, to help in founding a new Free commonwealth across the seas, thousands of the like mind stayed behind to continue the struggle for freedom in the old land.
