Filesize: 9.53 MB

Reviews

This sort of book is every little thing and got me to searching ahead and a lot more. This can be for all those who statte there was not a well worth reading through. I am just easily could possibly get a delight of reading through a published pdf.
(Floy Rolfson)

Brand New Book ***** Print on Demand *****.Excerpt from Cuautla: An Address Before the New York Historical Society, April 4th, 1893 I am to tell you to-night a story of the Mexican Revolution. It would be an appropriate introduction, if I had the time, to describe the origin of the Mexican race and show how the Spaniard conquered the men of Aztec land with his sword, and won the hearts of the women, and that thus the Mexican race began; to trace the evolution of this race through successive generations and show how, being specially fitted for the environment, it increased and multiplied, while the pure Spaniard barely held his own, and the unmixed Indian wasted away before the new conditions of life brought about by the advent of the European. But the hour which you so graciously give me to-night is too short for all this, and I must jump at once over two centuries and a half and take the race as I find it, in its maturity. The time has come for independence. In the nature of things the colonies on this side of the ocean cannot remain forever connected with their mother countries. A revolution is inevitable in Mexico as in the United States. It inheres in the very nature of things. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
