

## False Positives: A Techno-Thriller

Filesize: 3.95 MB

### Reviews

*Complete guideline for ebook lovers. Better then never, though i am quite late in start reading this one. Its been printed in an remarkably simple way in fact it is only right after i finished reading this book through which in fact transformed me, alter the way in my opinion.*  
*(Monserrat Runolfsdottir)*

## FALSE POSITIVES: A TECHNO-THRILLER

[DOWNLOAD PDF](#)

Pharos Books. Paperback. Book Condition: New. Paperback. 316 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. In 1972, a gifted student at Berkeley writes the first computer virus. When its run on the university mainframe it simply vanishes. Thirty-five years later, a government computer system issues ostensibly baseless assassination orders, and its creator goes in search of the ghost in the machine. What she discovers is a legacy black-ops program from the Vietnam Era that is alive and killing today. As she fights to prevent her brainchild from becoming a weapon for government-sanctioned murder, the protagonist is pitted against adversaries hell-bent on wielding the machine with Machiavellian ruthlessness to achieve their political ambitions. Joined by an eclectic band of characters, she plots to bring down the system before it is used to start a war of biblical proportions, and in doing so, she becomes marked for termination by her own creation. Reader Reviews Kim Aleksander has created a masterpiece, a story as good, or better than the hundreds of overpriced hard covers I've read. Stephen W. Douglas, author of THE BRIDGE TO CARACAS Easily a Best Seller quality novel. Pax Rolfe, author of FIFTY ONE: PROVENANCE The action builds to a frantic climax that leaves the reader gasping. Russell Blake, author of FATAL EXCHANGE False Positives isn't science fiction. It isn't fantasy. Combining a compelling storyline with excellent research, this technothriller offers a unique look at a scenario that's more than just possible--it's unfortunately probable. Stephen M. England, author of PANDORAS GRAVE I don't know how best to describe this book, other than to say it's a belting, gripping, page-turning read. Amazon UK Reviewer Fantastic Pace! HIGHLY RECOMMENDED. Amazon US Reviewer I can't say enough good things about this book. Goodreads Reviewer This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
