No program can give us a 100 guarantee that our children will learn to read no matter what they advertise, and none of us can precisely explain or predict how each child will react or what he or she will need in order to learn to read for themselves. I have utilized just about every type of methodology ever dreamed of, and all with varying degrees of success. Children are each individual persons and for that reason quite unique. Since I now only have three out of my 15 children remaining that I will need to teach to read (one of these is almost already reading independently), I have been turning my attention to ways I can pass along what I have learned over these 25 years to my adult children so that they will have an easier time of it when they go to teach their own children. That is why I have been led to create reading guides to aid them in their homeschooling journey, and, in turn, I felt it would be nice to offer some of these...
