

Around Padstow

By Malcolm McCarthy

The History Press Ltd. Paperback. Book Condition: new. BRAND NEW, Around Padstow, Malcolm McCarthy, This portrait of a period at once familiar and remote illustrates the extensive changes which have overtaken the dairy district of Suffolk since the end of Queen Victoria's reign. Many of the photographs recall scenes still vivid in the memories of those alive today, but these views have more in common with nineteenth century than with the present one, so great has been the upheaval felt by agricultural economies. Not even the Black Death depopulated the rural landscape in the way modern farming has done. Covering an area centred upon Framlingham, Debenham and Eye, this fascinating selection includes visits to the small towns and villages comprising the Heart of Suffolk-Hoxne and Fressingfield, Stradbroke and Horham, Laxfield and Peasenhall, and Badingham and Dennington. For those old and lucky enough to remember, it offers a trip down memory lane; for others, it will be a reminder of how much we have managed to lose.
